Dear Facilitator For Family Education & Development Association Of Alberta (ffedaa),

We would like to take this opportunity to thank you for partnering with the Community Volunteer Income Tax Program (CVITP) for the 2020 tax-filing season. Whether you have been part of the CVITP for many years or you hosted a free tax clinic for the first time, your contributions to the program are greatly appreciated.

Every year your hard work helps improve the lives of hundreds of thousands of Canadians, including those most impacted by the COVID-19 pandemic. Our latest statistics show that in 2019 more than 741,400 Canadians were able to meet their tax obligations and receive their entitled benefits and credits thanks to the generosity and dedication of community organizations like yours.

The Canada Revenue Agency is committed to evolving the program and will continue to work with organizations and volunteers to improve the program. We will continue to offer our support by providing free tax preparation software, training and access to skilled coordinators. It is thanks to you that the tax clinics are a success year after year.

In recognition of all the great work you have done with this important program, please accept the enclosed Certificate of Appreciation signed by the Honourable Diane Lebouthillier, Minister of National Revenue.

We look forward to working with you again next year.

Linda Mailhot
